

Hands-on Course in Advanced Paediatric Interventional Pulmonology

Date : 28 and 29 September 2024 (Saturday and Sunday)
 Time : 8.30am to 5.45pm (Saturday)
 8.45am to 5.00pm (Sunday)
 Venue : Erbe Academy Singapore, Level 5 Seminar Rooms
 25 International Business Park, German Centre,
 Singapore 609916
 Fees : S\$1,200 (Early bird fee valid till 31 July 2024)
 S\$1,400 (Regular fee from 1 August 2024)
Limited to 24 participants.
 CME points will be awarded.

This two-day advanced paediatric interventional pulmonology hands-on course will equip participants with essential knowledge and skills in bronchoscopic interventional procedures for children, through a carefully curated mix of lectures, hands-on sessions, and discussions. The course will be delivered by internationally renowned faculty, highly experienced in paediatric interventional bronchoscopy. The hands-on sessions will be conducted on explant pig lungs and lung models. This course is highly recommended for pulmonologists, ENT surgeons and other medical professionals who aspire to advance their skills in paediatric interventional bronchoscopy.
